

Revocation of Ordinance 45 (Election of Member of Court by the Non-Teaching Staff)

At its meeting on 14 February 2017 the University Court approved the revocation of Ordinance 45 (Election of Member of Court by the Non-Teaching Staff) with effect from 1 August 2017, subject to consultation with the Senate and ratification at a subsequent meeting of the Court noting that the Ordinance would in any case be redundant once Statute 9 (The Court) has been approved by the Privy Council.
