

Accessibility statement for Simitive WAMS

Overview

Simitive is committed to providing web applications that are accessible to the widest possible audience, regardless of technology or ability.

In all new product development Simitive aim to comply with WCAG 2.1 accessibility standards up to level AA. Simitive WAMS3 product complies with the WCAG 2.0 A standard. Product development is currently underway for WAMS4, which will be WCAG 2.1 AA compliant.

If you experience any difficulty in accessing our application, please do not hesitate to [contact us](#).

Areas of the system where the burden of compliance falls upon our client

Clients have the ability to choose the colours, and therefore contrast, on the system. It is the client's responsibility to ensure that any choices they make meet their accessibility guidelines and requirements.

Enforcement procedure

The Equality and Human Rights Commission (EHRC) is responsible for enforcing the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018 (the 'accessibility regulations').

Preparation of this accessibility statement

This statement was prepared on 12th February 2021. It was last reviewed on 2nd February 2024.
